Here you will find the [menu](#) of Whitehorses in [Ardmore](#). At the moment, there are **50** menus and drinks on the list. This charming seaside upmarket restaurant offers delicious food, with a wonderful ambience. The dining experience is top class with professional and friendly service, and a great wine selection. Despite being a bit on the expensive side, the quality and quantity of food make it worth a visit. However, other reviews point out tension amongst staff, overpriced items, and the need for a facility makeover. While some found the food superb and beautifully presented, others felt stressed due to understaffing and high prices for average quality. Ultimately, the general consensus is that the atmosphere and food make it a nice dining option for a special occasion.
