We had incredible food, between which was a lot. high points were the garden toast and chicken wings. the service was great, the place was dizzy. will definitely be back. try the yuzu frozen margarita so delicious!. If you want to at the end of the workday have a beer and sit together with friends or by yourself, Shackfuyu from [London](#) is a good bar, the inventive combination of various dishes with fresh and partially daring products is highly appreciated by the customers - a beautiful example of Asian Fusion. Freshly harvested vegetables, fish, and meat are the main ingredients in the easily digestible Japanese cuisine of Shackfuyu, Furthermore, the delicious delicacies of this locale do not only sparkle in the eyes of our young guests.
