doesn't like about Asian Harvest:

we're on nye it was okay. it took about 3 hours from the driveway to the driveway. ordered at 6.30, came quite fast, but our net lasted at least one hour and one half. beautiful waiter but all together nice to try but not a favorit. eating was a lot and quite bland. With **typical Asian spices savoury**, traditional menus are being prepared in the kitchen of Asian Harvest from Arklow. Look forward to diverse, delicious Chinese cuisine, prepared traditionally in a wok. The *Asian fusion cuisine* is likewise an important part of Asian Harvest. For those who find the everyday and universally known dishes too ordinary, they can here approach with a willingness to experiment and consume one or another unexpected combination of ingredients.
