One of the best restaurants I've ever gone to, with a lavish and lovely atmosphere! With good reason, the restaurant has three Michelin stars! The beverages were fantastic, and our server really got to know what we liked and didn't like in terms of cocktails. I had the salmon, which tasted delicious and was incredibly fresh. Also delicious was the bread. Great experience all around!. What [GS and R](#) doesn't like about Sketch Gallery:

This was the second time I went to the sketch for afternoon tea. The decor now is much nicer than before. However the service is still much the same, incredibly slow. We enjoyed the music and the food but the tea refills were incredibly slow. We had to keep asking for our tea which isn't acceptable at an establishment such as sketch. I'm not sure I will visit again because this place is more of a try it once for the... [read more](#). If you're craving for desserts, you should visit Sketch Gallery because they serve **delicious desserts** that will definitely satisfy the sweet tooth in you, Also, the successful fusion of various dishes with new and partially experimental products is appreciated by the guests - a good case of Asian Fusion. Not to be neglected is the extensive diversity of coffee and tea specialties in this restaurant, The fine Sandwiches, small salads and other snacks are also suitable as a snack meal.
