What [Liana Johnston](#) likes about Pickled Kitchen - Martha Gunn Pub: I honestly can't recommend this pub enough, it truly is the gift that keeps on giving. Service is amazing, food is divine (the Sunday roast WOW) and the vibe is just right. Get yourselves down here and bask in the radiant sun of the Martha Gunn. What [Kirsten Chapman](#) doesn't like about Pickled Kitchen - Martha Gunn Pub: booked a table, came for Friday afternoon and was said that the table was not booked as no one sees on opentable, also they will receive an email from opentable. Give them a call first. (and the kitchen was not open anyway til 4pm, despite my confirmation email told me that it was booked). A journey through Great Britain without getting on a plane is culinarily certainly possible: Pickled Kitchen - Martha Gunn Pub in [Brighton](#) traditionally shines for example with Fish and Chips, Mashed Potatoes or Roasts with Yorkshire Pudding and for dessert a sweet Trifle, and you can look forward to the appetizing typical seafood cuisine. At the bar, you can also relax after meal (or while eating) with an **alcoholic or non-alcoholic drink**, In general, the dishes are prepared in the shortest possible time and fresh for you.
