great real ales (inc. old perculiar,) fantastic, fresh, domestic cooked foods (best steak burger I ever had) and wonderfully old and petty. well worth a visit if they are in the city (besides the directed.). What User doesn't like about Adam And Eve Pub:

The rudest most unwelcoming land lady ever experienced. It's now on more than one occasion that such woeful customer service has been experienced and therefore will never go back . Such a shame that a historic beautiful pub is in the hands of someone lacking so hugely in customer service. I would strongly avoid . When the weather is nice you can also be served outside. If eating and drinking is too boring for you, go to this **sports bar** for a variety of small snacks and meals and catch live football, tennis or Formula 1 games, You can also unwind at the bar with a cool beer or other alcoholic and non-alcoholic drinks. Without doubt, the right drink enhances every meal; with this thought in mind, this gastropub offers a large variety of fine and regional alcoholic beverages like beer or wine, The menus are usually prepared *fast and fresh* for you.
