In the area in the last few weeks. Was a bit difficult to try here based on reviews. So I asked local entrepreneurs and they said it was good. I ordered a beef curry with chips from the takeaway. About 7 minutes, so fast. Costs under a tens, tasteful. The loads of beef in the curry, curry tasted really nice. I'll go there this week. What [User](#) doesn't like about Phoenix House:

Not from here. Ordered a 4 in 1 with satay sauce and received curry sauce. Rank the restaurant to ask why I had received the wrong order and was abused by a terrible female manager, was said: "It's just the sauce, do not make it bigger than it is". The food was also vile. The Phoenix House from Cork offers various fine seafood dishes, You shouldn't miss the opportunity to try the delicate pizza, baked straight out of the oven in an original manner.
