The restaurant from [York](#) offers **164** different dishes and drinks on the menu at an average £9. What [Henrik Baumann](#) likes about [Sushi Waka](#):

Really affordable, wonderful presentation and delicious food and the waiting staff were super accommodating to us. They also did the Eat Out to Help Out scheme which was a blessing. The guests love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the [Sushi Waka](#) from York, with its *unconventional Asian fusion cuisine* - the perfect blend of traditional meets the adventurous world of fusion cuisine, and a lot of fresh vegetables, fish and meat are used to cook healthy Japanese menus. The dishes are prepared according to typical Asian style, Particularly tasty are also the [Sushi](#) and delicacies like **Te-Maki** from this restaurant.
