A roundtrip through Great Britain without getting on a plane is easily possible when it comes to culinary delights: Master Builder in Southampton traditionally shines for example with **Fish and Chips**, mashed potatoes or roast with Yorkshire Pudding and for dessert a **fine Trifle**. In addition, the latest games or races can be watched on the big screen in this sports bar, which the customers also love. You have the option to, after the meal (or during it), also relax at the bar with an *alcoholic or non-alcoholic drink*. Also, the drinks menu at this place is exceptional and offers a significant and varied selection of both local and international beers, which are definitely worth a try.
