A roundtrip through Great Britain without getting on a plane is absolutely possible when it comes to culinary delights: Big Slope in Glasgow City traditionally shines for example with Fish and Chips, mashed potatoes or roast with Yorkshire Pudding and as dessert a delicious Trifle. In addition, the latest games or races can be watched on the big screen in this **sports bar**, which the visitors also love. Most often, the **burgers of this place**, which are among the highlights, are offered along with sides like fries, salads or wedges, The barbecued food is freshly prepared here on an open flame.
