really good choice to get some quick brunch! the staff was friendly and helpful. they helped us to lead us on our outside table and told us how to order from the app. really great selection on the menu for sweet and hearty options. pancake was really delicious! and my partner enjoyed the omelette in which had a series of meats. only at the bottom were the drinks 35 minutes and arrived after our eating, which was real... [read more](#). What [User](#) doesn't like about The Pancake House:

The cutlery was filthy. Even trying to clean it with the serviette didn't work 2 of us had the breakfast pancake, neither of which was cooked properly This was after waiting over 30 minutes to have our order taken [read more](#). The restaurant also offers the possibility to sit outside and be served in nice weather, And into the accessible rooms also come customers with wheelchairs or physiological disabilities. WiFi is available for free. For breakfast, you can enjoy a appetizing brunch at The Pancake House, as much as you want, the menu also includes fine [vegetarian](#) recipes.
