What [Steve James](#) likes about The Green Dragon Haddenham:

First impressions when driving in are rubbish strewn car park area, could be fenced off from view! Pub garden looked minimalist and sad all a bit off putting. Could easily be fixed! Inside warm and welcoming. Great service and delicious food. The front dining room smallish but cosy for it! We would recommend it to friends, but please sort out the rear of the pub. [read more](#). For those who want to a *cocktail after work* and sit with friends or alone, The Green Dragon Haddenham from Aylesbury is a good bar, Also, the drinks menu at this place is exceptional and offers a significant and varied assortment of both local and international beers, which are definitely worth a try. Also, there are many **timeless British** menus on the card that will satisfy any lover of British cuisine.
