What [User](#) likes about The Reindeer Inn: Quite possibly my favourite place to drink in the area, even if it means walking about a mile to get here. The beers are well kept, the staff are nice and they often switch their guest ales. The pub itself is very antique and cosy. I really hope it stays this way! [read more](#). The place also offers the possibility to sit outside and be served in pleasant weather, And into the accessible rooms also come visitors with wheelchairs or physical disabilities. During a meal, a good drink is essential. In this gastropub, you not only get delicious cuisine from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, Lovers of the British cuisine are impressed by the extensive selection of traditional meals and enjoy the taste of England. You have the option to, after the meal (or during it), still relax at the bar with an alcoholic or non-alcoholic drink, Furthermore, the guests of the restaurant enjoy the extensive selection of the differing **coffee and tea specialities** that the establishment has available.
