What [FRANCIS B](#) likes about Indian Royal Palace:

Excellent customer experience. I forgot to order naan and rice during my takeaway order. They called me several times but couldn't reach me (didn't pick up). Upon arrival, my daughter and I were presented with a drink while we waited. The dishes usually very tasty. The food taste can vary a bit more than expected. [read more](#). What

[User](#) doesn't like about Indian Royal Palace:

We had two of you 40 minutes to wait until we eat and don't even regret it. Our food was cold, not even lion, the preached naan bread and the flesh was tough and rubbery. The rest was just. Big disappointment. [read more](#).
