Brilliant food and rapid service. We were at the end of their lunch service hence the slight rush to decide on orders but nonetheless a brilliant meal and exquisite food. Selecting the set menu with several different items allowed for a very interesting exploration of Japanese and Korean cooking. [Sushi](#) was the best I've ever had.

Would recommend to a friend [read more](#). What [User](#) doesn't like about Dotori:

The place also offers the possibility to sit outside and eat and drink in beautiful weather. At Dotori from London, *fine [sushi](#) (e.g., Maki and Sashimi)* is prepared for you, along with numerous other variations, always fresh with ingredients like fish, vegetables and meat, The barbecued food is freshly grilled here on an open flame. In Korea, **Korean meals** such as Kimchi, Bap and Jjigae are considered typical and have a special place on the menu card and the plates of the guests, Besides, the creative blend of different dishes with new and sometimes adventurous products is appreciated by the guests - a beautiful case of Asian Fusion.
