great selection of foods to choose from. I came to the breakfast and ordered the vegan brekkie. it was nice, though not safe on the vegan speck and was so dry I couldn't cut it. brekkie might have been nice with a linda mccarty sausage! next time I would like to try the tapas selection and a bottle of wine! also attentive service from the personal. thank you. decent vegan offers, dedicated rubric on the menu. They usually go for group meetings, as it does not break the bank and it is a nice, cool atmosphere. I recommend the dark chocolate torte. Furthermore, there are easily digestible **Mediterranean meals** on the menu, for breakfast they serve a *varied breakfast* here.
