On this website, you can find the **complete [menu](#) of Miskin Arms** from Rhondda Cynon Taf. Currently, there are **33** dishes and drinks available. The Miskin Arms offers a hit-and-miss dining experience, with some highlights and some disappointments. While some dishes, such as the beef medallions, were cooked to perfection, others lacked in quality. The service was a major letdown for many diners, with rudeness and slow service noted. However, the staff made a special occasion memorable for a group celebrating birthdays. The atmosphere was cozy, and the menu options were extensive, offering a beautiful selection of fresh meat and fish. Overall, the restaurant has potential but needs improvement in areas such as service and consistency.
