Here you will find the [menu](#) of Akmal's Tandoori Bistro in Leeds. At the moment, there are **12** meals and drinks on the menu. Akmal's offers great food with prompt service, but unfortunately, the manager has displayed racist behavior towards customers. Despite this, the flavors in the dishes are on point. Other visitors have praised the friendly service and delicious food at affordable prices. Some have noted a lack of atmosphere and have wished for spicier dishes. Those who have had positive experiences appreciate the attentive staff and delicious meals. Overall, the restaurant seems to have a mix of positive and negative reviews, with some praising the experience and others warning of poor quality.
