What [User](#) likes about Ciao: after a bad experience in our hotel restaurant we decided to eat here and I am very happy that we decided that the restaurant is very cozy, that eat very well and the staff very nice and looking for customers, although it was full and we arrived after 9, fast at closing time. many thanks for a nice evening in our short stay in malmo! [read more](#). What [User](#) doesn't like about Ciao: the place has in the grunde no intentionally vegan option, but I like their red [pizza](#) (it is simple, vegan and tasty.) if I only had to rate the [pizza](#), I could give a more generous 4 stars, but the fact that there is only one option is quite limited. [read more](#). The place also offers the possibility to sit outside and eat in beautiful weather. Ciao from Malmö is popular for its **tasty burgers**, to which *crunchy fries, salads and other sides* are provided, Don't miss the chance to eat the crispy and crunchy [pizza](#), prepared straight out from the oven in an original way. Additionally, you're in for typical **Italian cuisine** inclusive of delicious classics like [pizza](#) and pasta, You can also unwind at the bar with a [freshly tapped beer](#) or other alcoholic and non-alcoholic drinks.
