Here you can find the menu of Dinos in Kinsale. At the moment, there are 46 dishes and drinks on the food list. You can inquire about changing offers via phone. What [User](#) likes about Dinos: Great spot if you're craving a hearty plate of fish and chips and don't have a reservation. We ordered the cod and chips as we were told it's the most popular and it did not disappoint. Charming atmosphere and the service was friendly. Been in business for years and I can see why! [read more](#). What [User](#) doesn't like about Dinos: the fish was mouthwatered, and the lemon sole was beautiful. the chips were hard after our starter. we had to ask for knives and forks to eat our head. but in my words, I think they are training in new staff [read more](#). The restaurant offers complimentary WiFi for its guests, And into the accessible rooms also come customers with wheelchairs or physical disabilities. If the weather conditions are right, you can also have something to eat outside. The Dinos in [Kinsale](#) dishes out various **fine seafood menus**, Forbreakfast a *delicious brunch* is offered here. Typically, the **burgers of this place** are served as highlights along with sides like fries, salads or wedges.
