We have booked Cavaliere several times for lunch. Have not been in a while but were disappointed. The pasta portion has been reduced and the same for the dessert. We used to share a dessert could not do that now. Measly amount of ice cream mostly scooshy cream. Prices have upped portions reduced. Doubt will be back. [read more](#). The place also offers the possibility to sit outside and eat and drink in beautiful weather, And into the accessible spaces also come guests with wheelchairs or physical limitations. WiFi is available at no extra cost. The Cavaliere from [Dalkeith](#) is a cozy coffee house, where you can enjoy a snack or cake with a warm coffee or a sweet chocolate, and you may look forward to the scrumptious typical seafood cuisine. There's also crispy crunchy [pizza](#), baked fresh using original methods, Furthermore, the guests of the restaurant enjoy the large variety of the various **coffee and tea specialities** that the restaurant has available.
