The first pub ever that I was warned by a racist man for talking on the phone in my native language. Moreover, the staff also stood by the mans side and attitude and continued warning me to keep my voice down!!! They literally attacked my freedom as woman to be able to sit and have a drink in a pub by my self!! This is completely racist and not acceptable. Never recommend this place!!! [read more](#). When the weather is good you can also eat and drink outside. Bedford Tavern from Croydon is respected for its tasty burgers, to which delicious fries, salads and other sides are presented, You can take a break at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks. Furthermore, you can order fresh grilled barbecue, Lovers of the British cuisine are impressed by the comprehensive selection of traditional meals and enjoy the taste of England.
