eating here is beautiful, a beautiful place to sit, and the staff was great. so a good fund about 10 minutes from forestside, just before they come to carryduff circular traffic. highly recommended. [read more](#). What [User](#) doesn't like about Toasted Artisan Kitchen:

26/08/23 Advertised that it closes at 15:00, I arrived at 14:07 and they said that the kitchen is closed and no longer serving hot food or sandwiches. Staff were very rude and didn't even acknowledge us when we walked through the door. Had a very expensive cold cappuccino, staff were more interested in talking with the chefs in the kitchen. Won't be rushing back!. When the weather conditions is pleasant you can also eat outside, And into the accessible spaces also come customers with wheelchairs or physical limitations. A roundtrip through Great Britain without getting on a plane is absolutely possible when it comes to culinary delights: Toasted Artisan Kitchen in Castlereagh traditionally shines for example with Fish and Chips, mashed potatoes or roast with Yorkshire Pudding and for dessert a *fine Trifle*, Additionally, you save time with the selection of ready-to-serve **delicacies**, without influencing the enjoyment. In addition to small snacks, sweet pieces and cakes, we also serve cold and hot drinks, here they serve a **appetizing brunch** in the morning.
