Le Chateau is the only bar on the main street of Cork City which is Saint Patrick's Street. It is one of the longest established bars in Cork and is always a really good place to visit. It has a very cosy and comfortable atmosphere inside and the outdoor seating area is great fun with so many people walking around the city centre [read more](#). What [User](#) doesn't like about Le Chateau:

Excellent location. However staff rushed you, as soon as your drink was almost finished you were asked if you needed another and on saying no...glasses were instantly removed the second they were empty and table wiping started whilst still sitting there!!! we did not feel particularly comfortable or welcome [read more](#). In beautiful weather you can even have something in the outdoor area, And into the accessible spaces also come guests with wheelchairs or physical disabilities. At Le Chateau in Cork, juicy barbecue is freshly prepared on an open flame and garnished with tasty sides, Furthermore, the drinks menu in this restaurant is impressive and offers a good and extensive diversity of beers from the area and from worldwide, which are definitely worth a try. Viewing various sports games and matches is equally one of the best parts when visiting this *sports bar*, The customers of the establishment are also thrilled with the extensive selection of various coffee and tea specialities that the establishment offers.
