Biddy's restaurant in Donegal offers mixed experiences with food quality and service. Some diners found the fish and chips to be inedible, with soggy, overcooked chips and dry burgers. Others praised the light batter on the fish and the tasty kebabs. Customers also appreciated the gluten-free options available. The restaurant is known for its friendly staff, quick service, and reasonable prices. Despite some negative reviews, there are positive experiences with delicious food like the chicken goujons and old-school chips.
