The place from London offers **121** different meals and drinks on the card at an average £121. What [Carrie Russell](#) likes about Vertigo 42 (champagne bar):

It is a place that does not come in many guides and, despite these claims, not many people know it. tower 42, once the roof of Londoners (the grey tower that stands out in the city next to the omnipresent gherkin has, on its last floor, a restaurant/bar of cocktails the tables are arranged by the windows, which go from the ceiling to the floor. the views, mainly in south/west orientation are spectacular, especially a... I would recommend but with a warning. There were 4 of us and given a window with 4 chairs but the next window had at least eight people so the noise level was awful so we left after one drink. On leaving we all said goodbye to the reception staff and only as we were out of the door one staff member eventually said goodbye. It was a rather disappointing start to the evening. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities. During meals, a refreshing drink is essential. In this gastropub, you will find not only flavorful dishes, but also a large and comprehensive variety of good beers and other alcoholic drinks that compliment the food, It's possible to chill out at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. Look forward to the enjoyment of **delicious vegetarian menus**. For a snack in between, the yummy *sandwiches*, healthy salads, and other snacks are suitable.
