What [User](#) likes about Marinos Fish: the personal was really accommodating and all had previously known about what is and is not gluten-free. they have their own gluten-free dough, which can be used on everything and gluten-free food is always fried separately. [read more](#). What [User](#) doesn't like about Marinos Fish:

I visited here after I see it advertised in the internet for the offer gluten-free teig. my man and I went there a day after work and had gluten-free fish and chips, everything went well and the staff seemed knowledgeable until they tangle the fish from the hot plate area with the same as the gluten stuff, so I had a reaction on it.
