On this homepage, you will find the **complete [menu](https://menuweb.menu) of Hey Plant Bae** from Edinburgh. Currently, there are **38** dishes and drinks available. Nestled near Haymarket train station, Grams offers a cozy atmosphere for a quick bite, accommodating around ten patrons. While its decor is simple, guests have experienced a mix of service quality. The menu features limited vegan options, but highlights include delicious pastries and satisfying breakfast dishes like waffles and tofu scramble. While some enjoy the ambiance and friendly staff, others have noted inconsistencies in food presentation and flavor. Despite its shortcomings, many rave about the bakery's tempting offerings, making Grams a charming spot for health-conscious eaters seeking simple yet delightful meals—or a sweet treat to go.
