The restaurant from London offers 1677 different meals and drinks on [the menu](#) at an average price of £239.

What [Joe S](#) likes about Berners Tavern:

Plush restaurant setting, spacious and decorated very nice. Food was perfect, 3 tasty and enjoyable courses. Love the champagne trolley going around, nice touch that most places don't have. Expensive, but justified with setting, service and food quality. [read more](#). The place also offers the possibility to sit outside and have something in nice weather, And into the accessible rooms also come guests with wheelchairs or physical limitations. For breakfast, you can enjoy a diverse brunch at Berners Tavern, freely at your own will, and you have the opportunity to try delicious American meals like **Burger or Barbecue**. Even **South American** fresh fish, meat, as well as beans and potatoes are cooked here, It's possible to chill out at the bar with a *cool beer* or other alcoholic and non-alcoholic drinks.
