What [User](#) likes about The Mad Turk:

I highly recommend this place, the food is phenomenal, the staff are really very friendly and helpful without being intrusive. I loved the whole ambiance of this restaurant. [read more](#). What [User](#) doesn't like about The Mad Turk:

Arrived at the wine bar around 10.20 pm, no one on the bar, waited for over 5 minutes for barman to turn up, no apology and if he was doing us a favour in serving. This might be a great place to go to, but not when you get poor service like this. Over priced as well. [read more](#). The restaurant offers free WLAN for its guests, Depending on the weather, you can also sit outside and eat. The Mad Turk from [Stamford](#) is a good option for a bar if you want to have a *cocktail after work* and hang out with friends, In addition, the current games or races can be watched on the big TV in this **sports bar**, which the guests also love. Furthermore, there are light **Mediterranean menus** on the menu, the menu also includes [fine vegetarian menus](#).
