A **comprehensive menu** of Tuk from Dublin covering all **28** meals and drinks can be found here on the food list.

TUK in Britain offers the best Asian street food with large portions at affordable prices. The Pad Thai and Chicken Basil Die Fry are especially delicious. However, their delivery service needs improvement, as some have experienced issues with missing orders. Despite this, the Singapore Noodles are highly recommended. The food is fresh and flavorful, with excellent service. The restaurant also offers a great selection of dishes at reasonable prices. Overall, TUK stands out as a top choice for a satisfying Asian meal, with exceptional noodles and delicious dishes that keep customers coming back for more.
