Pipers Lane Chester, Cheshire CH2 3LS, United Kingdom

The place from Chester offers 195 different dishes and drinks on the menu at an average price of £5. What [Anthony Anderson](#) likes about The Piper:

We came here after a day at Chester Zoo. The food was delicious and freshly cooked. The staff is especially the manager who was very child-friendly and gave the choice of board games and coloring of things. She also brought out a selection of beers to try before we chose one. Overall an excellent choice for a meal after a busy day. Will definitely come here the next visit to the zoo [read more](#). What [Dianna Deckow](#) doesn't like about The Piper:

we booked here at the last minute as we are staying in Hoole just down the road, we were greeted by a friendly man behind the bar who agreed to my daughter and I a cocktail even they do not normally I do a like a cocktail! I do not know why more pubs don't have menu of some decent cocktails. We had to wait quite a while for our food even though it did not seem over busy but they did keep coming to tell us what was go... [read more](#). When the weather conditions is good you can also eat and drink outside. A journey through Great Britain without getting on a plane is absolutely possible when it comes to culinary delights: The Piper in Chester traditionally shines for example with Fish and Chips, mashed potatoes or roast with Yorkshire Pudding and as dessert a **fine Trifle**. Also, the drinks menu at this place is exceptional and offers a significant and varied variety of both local and international beers, which are definitely worth a try. After the meal (or during it), you have the opportunity to also relax at the bar with a **alcoholic or non-alcoholic drink**, Naturally, you should also taste the *tasty burgers*, accompanied by sides like fries, salads, or wedges offered.
