very friendly staff in this restaurant, near the cessel and bussle the oxford street, but not enough to be disturbed by it, helped because they walk some steps to reach it. eating is delicious, and the staff very attentive. later there was a promise about some great entertainment (saturday night,) but we couldn't stay for it. [read more](#). The restaurant also offers the possibility to sit outside and have something in beautiful weather. What [Muhammad Stevens](#) doesn't like about Maroush Live Entertainment:

the restaurant was very cold, and the service was very slow and not well thought out. the tables were full, but not enough staff to wait for everyone in a reasonable time frame. there was also a coworker who was really very rude and made the evening unpleasant! otherwise, quite decent eating and ok entertainment. I'm not coming back. [read more](#). Are you looking for delicious delights?
