This was my first time in Malmaison for my birthday and found the service faultless. From the booking itself we were running a bit late and when we phoned up they were very friendly and accommodative. When we arrived we were greeted by the same person who answered the phone who took us to our table and also checked up on us throughout the evening. The food and drinks came very promptly and was lovely. [read more](#). What [Friends Donair and Shawarma](#) doesn't like about Malmaison Brasserie - Liverpool:

Although we had a lovely meal the staff seemed quite new and were not yet up to speed with menu choices. Lamb was delicious. House wine not one to choose, we were able to chose an alternative and pay more on our special deal. [read more](#). With the extensive variety of coffee and tea specialties, a visit to Malmaison Brasserie - Liverpool becomes even more attractive, The **magical** desserts of the restaurant also shine not only in the eyes of our little guests. Also, there are many **timeless British** meals in the card that will satisfy any lover of British cuisine, and you may look forward to the fine traditional [seafood](#) cuisine.
