Had friends up for the weekend wanted to take them to an independent restaurant, we had a beautiful meal with excellent service. We have been before and will definitely visit again. [read more](#). What [گوهر اصفهانی](#) doesn't like about Le D2:

Lovely decor and atmosphere but food was disappointing as lacking in flavour , seasoning and presentation. The menu was extensive, perhaps less dishes and better flavourful food. Owner was courteous and staff friendly and this restaurant could be a gem with just a little more finesse and attention to detail with the dishes on offer. [read more](#). Le D2 from Harrogate is a suitable bar to **a cocktail after work**, and hang out with friends, The tasty desserts of the restaurant also shine not only in the eyes of our little guests. In addition, they provide you fine dishes **à la française**, Of course, the atmosphere has a significant influence, meaning the customers do not only appreciate the fine meals, but also value *the bistro* itself appreciate.
