The place from St Helens offers **38** different *dishes and drinks* on [the card](#) at an average £14. What [Diethard Jäger](#) likes about Hotel Restaurant Otterbach:

The food was really very good, unfortunately the waitresses were quite unfriendly and reserved, apparently no value was placed on guests who were not "known". In nice weather you can even have something in the outdoor area, And into the accessible rooms also come visitors with wheelchairs or physical limitations. At Hotel Restaurant Otterbach, scrumptious dishes from all over the world are directly prepared for you, and you can look forward to authentic Italian cuisine with classics like [pizza](#) and pasta. The restaurant is however, primarily known for its **hearty German menus**, which include potatoes and salads brought, The customers of the restaurant also consider the comprehensive selection of various [coffee and tea specialities](#) that the restaurant offers.
