The guests love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the Hardies Restaurant from Bolton, with its **successful Asian fusion cuisine** - the perfect blend of traditional meets the adventurous world of fusion cuisine, Many customers are especially looking forward to the experience of versatile, fine Chinese cuisine. After the meal (or during it), you have the opportunity to also relax at the bar with a alcoholic or non-alcoholic drink, Moreover, there are some international meals to choose from in the menu.
