Once again a great experience and yummy food. Big portions. Couldn't finish my cevapi fries, so I asked them to pack it for me. Was very disappointed they did not include the left over chunky fries (more than half portion left) [read more](#). The rooms on site are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and eat and drink. WiFi is available for free. What

[Yasmine Kennedy](#) doesn't like about Fulham Kitchen:

Dreadful. Ordered a burger came with no bun and just chips. When asked where the bun was they brought it with a few cherry tomatoes. My friend had salmon. It was very overcooked and the veg was cold and the new potatoes were forgotten. Tables were dirty and the waitress sweet but very scatty. Avoid at all costs. Worst food ever! [read more](#). A visit to Fulham Kitchen is particularly valuable due to the extensive variety of **coffee and tea specialties**, Additionally, easy digestible Mediterranean courses are on the menu. Typically, the **burgers of this restaurant** are served as highlights along with sides like french fries, salads or wedges, Lovers of the English cuisine are impressed by the extensive selection of traditional menus and enjoy the taste of England.
