The place from London offers **73** different meals and drinks on the card at an average £10. What [Nick Watson](#) likes about Twist:

Difficult to fault Twist. Delicious food. Attentive service and advice (Davido), very knowledgeable regarding wine recommendations and the creation of the dishes and heritage of the ingredients. Always enjoyable to be upstairs and so close to the Chef's as they do their work. Small restaurant so really nice atmosphere. [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in pleasant weather. What [Mohammed Cook](#) doesn't like about Twist:

We order some dishes twice and the portions were totally different [read more](#).
