The restaurant from Woking offers 209 different dishes and drinks on the card at an average £9. What [Teresa](#) likes about The Talbot Inn:

Excellent family dinner outside with a view of the beautiful garden. Weather was so hot but we had a shady spot.

Staff were attentive and all 3 meals polished off ! [read more](#). In nice weather you can even be served in the outdoor area, And into the accessible rooms also come visitors with wheelchairs or physical limitations. What

[JohnD](#) doesn't like about The Talbot Inn:

Staff and service very good. Food not so. On Sunday evening it was awful. I stayed two nights breakfasts were both very good. The kitchen is obviously stretched to maintain quality. [read more](#). During meals, a refreshing drink is essential. In this **gastropub**, you will find not only tasty menus, but also a large and comprehensive selection of good beers and other alcoholic drinks that compliment the food, The customers of the establishment also appreciate the comprehensive selection of differing **coffee and tea specialities** that the restaurant has to offer. If you decide to come for breakfast, a versatile brunch is ready for you, Don't miss the chance to have the delicious [pizza](#), prepared fresh in an traditional way.
