What [Amber Smith](#) likes about The Decanter:

The staff was very friendly, the service was very good. The table we reserved was waiting for us. All the experience was very good the drinks prices in Happy Hour were very reasonable. We would go back there in the future [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and eat. If eating and drinking is too plain for you, go to this **sports bar** for a variety of small snacks and dishes and catch live football, tennis or Formula 1 games, It's possible to chill out at the bar with a cool beer or other alcoholic and non-alcoholic drinks. Furthermore, there are several typically British menus on the menu that give every Englishman abroad the feeling of being at home, The *barbecue* is freshly cooked here on an open flame.
