The restaurant from Winchester offers **58** different **menus and drinks on [the menu](#)** at an average £9. What [Louis Kennedy](#) likes about The Stable:

All pizzas available with a GF base, comes out with paper underneath to separate pizza from the board. [Pizza](#) cutters are in a distinctive green to differentiate them. Huge range of ciders to drink. I'm not celiac so can't comment on that side. But for gluten intolerant people it's highly recommend. [read more](#). In beautiful weather you can even have something in the outdoor area. What [Francesca Hunt](#) doesn't like about The Stable:

I got very sick after eating here. I'm an extremely sensitive coeliac I have since learned never to eat in Italian/[pizza](#) establishments because the risk of cross contamination is too great. I have no doubt the pizza I ate was gluten free but there was clearly flour in the air or on surfaces. Great place if you are not coeliac and choose GF as a lifestyle choice. [read more](#). In The Stable, a restaurant with Italian menus from Winchester, [original Italian cuisine](#), with main courses such as [pizza](#) and pasta, is available to you, You shouldn't miss the opportunity to try the crispy and crunchy pizza, baked fresh in an traditional manner. If you'd like something sweet to finish off, The Stable does not disappoint with its large *selection of desserts*.
