We had spotted this place a while ago but finally managed to come down from Blair to have dinner. Amazing food. Huge choice. Super friendly staff. We shared a lot of food... chicken yakitori, soft shell crab, pork gyoza, tofu agedashi, then pork katsu curry...and chicken donburi ...and a dessert peanut butter n jelly sushi rolls. It was so worth the drive over and we will be back for more. Well done the team! [read more](#). In nice weather you can even eat in the outdoor area, And into the accessible spaces also come guests with wheelchairs or physiological disabilities. What [Joshua Simpson](#) doesn't like about duo2go:

Used to love this restaurant but the prices have risen ridiculously. Katsu chicken used to be 10.95 and they changed it to 14.95. I understand that everything is going up just now but that's just a bit too much. Nearly 50% increase and other restaurants...in [Perth](#) haven't done that to that extent. [read more](#). In the duo2go from Perth, a lot of emphasis is placed on the preparation of easy-to-digest, delicious Japanese menus with freshly harvested vegetables, fish and meat, and you may look forward to the fine traditional [seafood](#) cuisine. In addition, you can expect typical **Italian cuisine** with tasty classics like [pizza](#) and pasta, Generally, the meals are prepared **fast and fresh** for you.
