In this **gastropub**, you will find not only exquisite menus, but also a large and comprehensive diversity of good beers and other alcoholic drinks that compliment the food, The restaurant offers its visitors the opportunity to try authentic Turkish dishes like Sucuk and various Doner. But make sure to leave some room for dessert!. Not to be left out is the comprehensive selection of coffee and tea specialties in this restaurant, Also, you shouldn't miss out on the tasty pizza, traditional freshly baked in a wood oven.
