The restaurant from London offers 66 different **meals and drinks on [the menu](#)** at an average price of £9. What [Agnes Sutter](#) likes about TGI Friday's: the restaurant looked really good a beautiful dark mood and I loved the Friday night theme. I went for the classic american burger who comes with fries (they do really good riders). the burger was tasty with her delicious burger sauce, but it was pretty hard to chew, I don't know if it was to the dense. I loved the portions when it filled me, my likes had broken out at the end and also very cheap. everything for abou... [read more](#). At TGI Friday's from London you can enjoy delicious vegetarian meals, in which no animal meat or fish was processed, You'll find scrumptious **South American** meals also on the menu. Moreover, there are fine American meals, such as burgers and grilled meat, It's possible to chill out at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
