The **menu of TGI Fridays** from Leeds includes **80** menus. On average, menus or drinks on [the menu](#) cost about £11. The categories can be viewed on the menu below. What [Danielle Young](#) likes about TGI Fridays: 10/10 We (around 20 of us) just had our Xmas staff meal at the Kirkstall Road restaurant the service, they drinks, the meal was absolutely fantastic. We ran the poor waitresses Stafford hard kept them busy with no complaints, they food (starters and mains) were all delivered on time and together. My steak was cooked to perfection. We all enjoyed it so much we're talking about going back in a couple of months to do it all again. Ohh yes, we gave the waitress staff a good tip!. Feeling as if you're in an American Hollywood movie once, and to consume the experience; that's not unusual in this *lovingly decorated diner*, there are also delicious vegetarian menus on the menu. In addition, there are delicious American menus, such as burgers and grilled meat, The tasty desserts of the restaurant also shine not only on children's plates and in children's eyes.
