I was a couple of times before the cowshed and both of them had me an amazing steak! the cowshed do some amazing gadgets with the steaks and the service is great. it is a beautiful restaurant, expensive, so I usually go here for special occasions, but it is beautiful! the steaks I had were perfectly cooked. [Stevens](#) doesn't like about The Burger Joint:

Really friendly staff, quick and efficient service and really well cooked flavoursome meats. The sides to the dishes let the experience down though with over roasted potatoes and bland vegetarian dishes. The music also didn't help the atmosphere if you are trying to make someone feel special then a mix of Heart FM classics and 90's indie probably isn't what many people are after. [read more](#).
