The place from Bristol offers 50 different **dishes and drinks on [the card](#)** at an average £3. What [we](#) likes about Tuk Tuck:

Was struggling to find somewhere to eat on a busy Friday night with the Christmas markets going on but found this place on the way back to the hotel. It's has a nice atmosphere, Freud my staff and great food to match. Everything is well priced and we got served very quickly. Would love to come back and try more again! [read more](#). Look forward to the diverse, scrumptious Mexican cuisine, traditionally prepared with corn, beans and chilies (hot peppers), **tasty vegetarian dishes** are also in the menu available. If you want to have breakfast, a *versatile brunch* awaits you.
