[The Card](#) of *China Tang from London* contains about 1208 different meals and drinks. On average, you pay for a dish / drink about £254. What [GaryO](#) likes about China Tang:

First Class! Another great evening spent in the wonderful China Tang A special mention to John who under his Watchful eye orchestrated a Sublime ambiance, as always we had attentive service and unrivalled food I still maintain this is the best restaurant in town. A big thanks to John and his entire team for looking after me and the wifey Be back soon [read more](#). What [Victor Tosa](#) doesn't like about China Tang:

Very old HK Cantonese food but you can get 3 Michelin star standard in HK at that price. It is an experience with the location and prestige. However would go elsewhere for top class Chinese dim sum. Might come back to try dinner dishes [read more](#). In China Tang from London, expect **versatile, scrumptious Chinese cuisine** that's authentically cooked in a wok, Furthermore, the drinks menu in this eatery is impressive and offers a good and extensive selection of beers from the area and from worldwide, which are definitely worth a try. You have the option to, after the meal (or during it), still relax at the bar with an **alcoholic or non-alcoholic drink**.
