Butchers Arms from Ledbury is a good option for a bar if you want to have **a drink after work** and sit with friends or alone, Of course, you also have to try the *tasty burgers*, that come with sides like fries, salads, or wedges provided. If you'd like something dessert to finish off, Butchers Arms does not disappoint with its extensive selection of desserts, Particularly fans of the British cuisine are excited about the large selection of traditional dishes and love the typical English cuisine.
